

REPUBLICA DE CUBA
MINISTERIO DE SALUD PÚBLICA
SANITARY HYGIENIC CERTIFICATE

THE MINISTRY OF PUBLIC HEALTH, UNDER ITS FACULTIES,

CERTIFIES:

That the Empresa “UEB Planta de Envasado EL CANO”, with packaging facilities located in “El Cano”, province of La Habana, Cuba, pack Honeybee, Nutritional Complements, and other natural products, all obtained from honeycombs suitable for export.

This Certificate covers 31 plastic bags of dry pollen (contained in plastic drums), whose lot is noted on the documents attached to this Certificate, shipped with MSC, on the vessel “CARIBBEAN EXPRESS V.: 19038”, to be loaded the next 3rd of October 2019.

They were inspected and supervised by the proper Cuban Sanitary Authority which declares that this product is fit for human consumption and is noted on the corresponding register.

Destination: Koper, Slovenia

Issued in Havana City, Monday, October 2nd, 2019

Authorized Signature:

CERTIFICATE No. 1281
